Country	Australia
1-Location	
2-Population	
3-Official language	
4-Area	
5-Crops	
6-Industrial Products	

**6 Read the following passage and then answer the questions :**

The South Africa government is to spend more than 2 billion dollars on hosting the 2010 FIFA World Cup .The country's finance minister announced the figures to the South African parliament last week. The bulk of the money will be spent on building new football stadiums and existing ones. There is public concern that South Africa will be poorly prepared and not afford to host the event. The minister outlined his plans for the World Cup while delivering a budget policy statement to parliament He told members that 1.1 billion dollars will be spent on building five new stadiums and upgrading existing facilities, while(800 million dollars ) is to be invested in public transport initiatives and supporting infrastructure.

The money will be spent over the next three years. The minister also told assembly members that hosting the event would require the "effort of all South Africa ". " The 2010 FIFA World Cup provides South Africa and the region with a once –in –a –generation opportunity to showcase our land and our hospitality in a sporting festival that knows no bounds ,"he added. In addition to spending on stadiums and public transport ,money is to be set aside to help fight crime.

The government intends to recruit an extra 8,000 police officers and 2,000 civilians to provide security during the tournament. The sustained economic growth has made the money needed for investment available.
