II- Comprehension

Read the following passage, then answer the questions below:

Many people enjoy hobbies and activities in the sea. The sea is very dangerous but it is very useful. It has salt, fish, pearls and many sea animals like whales, sharks, and butterfly fish. Fishermen like the sea because they catch fish and sell it in the fish market. Some people like it because they can enjoy their time there.

They can spend happy times swimming, diving, sailing and racing their boats. People can travel by ships from country to country. The sea can also be dangerous when the waves are rough. Sometimes we can't swim in the sea because of some dangerous animals like sharks that can kill or eat people.

A: Choose the correct answer from a, b and c: (4 x ½ = 2 m)

- The best title for this passage is.....
a. the sea b. the ship c. the fish d. hobbies
- The underlined word it refers to.....
a. the market b. the country c. the sea d. fish
- The underlined dangerous word means.....
a. nice b. helpful c. harmful d. good

B) Mark (√) or (x) next to each statement: (3 x 1 = 3 m)

- 4- People can't enjoy many hobbies in the sea. ()
5. Fishermen usually sell their fish in the bank. ()
6. Sharks are very dangerous sea animals. ()

C) Answer the following questions : (3 x 1 = 3m)

7. When is swimming dangerous?

.....

8. What can we get from the sea?

9- Why did the sister get angry with Nawaf ?

Spelling list first period

١	interview interviewer	٢	volleyball	٣	chemistry	٤	prize

READING COMPREHENSION (8m)

Read the following passage, then answer the questions below:

One evening , Mr Adly and his wife , Mona , were sitting quietly in the sitting room .
They were both busy reading books. Suddenly, they heard a loud noise .They couldn't tell where the noise was coming from . So , Mona ran quickly to the bedroom where her child was sleeping . She thought that their small cat might have jumped on the bed and waken him. But luckily , she found the child still lying in bed with his cat under it . Then , she **hurried** to the kitchen .There , she found a huge cat standing on the table where she had kept the glass of milk she had prepared for her child . This cat got in from outside through the window . After drinking all the milk , she dropped the glass and it broke .On seeing Mona , the huge cat felt afraid and hurried out.

A: From a , b , c and d choose the correct answer :(4 x ½ = 2 m)

1. A suitable title for the passage is
- | | |
|----------------------|-------------------|
