

B- (Nutrition and productions of poultry)

- 1 Effect of feed restriction on the laying house performance of the Fayoumi chicks
Egypt, J. Anim. Prod., Vol. 12, No. 1; 29-38 (1972)
- 2 Restricted feeding of broiler type replacement stock
Egypt, J. Anim. Prod., Vol. 12, No. 1; 39-48 (1972)
- 3 Effect of diet, season and sex on blood cholesterol and glucose in Fayoumi chickens,
Agric. Res. Review, Vol. 56; 35-46 (1978)
- 4 Effect of diet and season on blood cholesterol and blood glucose in Rhode Island Red hens.
Al-Azhar Agric. Res. Bull., No. 17; 1-13 (1978)
- 5 Effect of diet and season on blood Nonprotein Nitrogen (N.P.N.), Creatinine and Urea of
Fayoumi chicks
Al-Azhar Agric. Res. Bull., No. 18; 1-13 (1978)
- 6 Raising newly born buffalo calves on milk replacers, Effect of supplementing milk replacers
containing 50% skim milk with different sources and levels of fat on the performance of
growing Buffalo calves
J. Agric. Sci., Mansoura Univ., Vol. 3, No. 1; 212-218 (1978)
- 7 Untersuchungen zum Blutglukosegehalt bei Lammern
 - 7.1 Reaktion auf die Verabreichung verschiedener Kohlenhydrate
Arch., Tierernahrung, Bd. 28; 673-677 (1978)
 - 7.2 Der Blutglukosegehalt im Verlauf meherer Stunden nach der Fütterung
Arch., Tierernahrung, Bd. 28; 679-684 (1978)
- 8 Effect of plan of nutrition on sexual maturity of Ewe lambs of different breeds and their
crosses
5th International Congress for Statistics, Computer Science, Social and Demographic
Research; 297-320 (1980)
- 9 Effect of protein source in the diet an the performance of Early-Weaned lambs
Al-Azhar Agric. Res. Bull., No. 23; 1-23 (1980)
- 10 Sexual maturity of different breeds of female sheep and their crosses
Al-Azhar Agric. Res. Bull., No. 24; 1-17 (1980)
- 11 The effect of feeding rice and wheat straw on the milk production and growth
of buffalos in Egypt
Beitrage Trop. Landwirtschaft. Veterinarmed., 18. Jg.,
H.; 87-92 (1980)
- 12 Effect of some Prostaglandins on Lipid metabolism

- 12.1 Effect of some Prostaglandin compounds on blood Lipids in Albino rats
J. Drug. Res. Egypt, Vol. 12, No. 1-2; 1-5 (1980)
- 12.2 Effect of some Prostaglandin compounds on Hyperlipemia induced by Andrinalin in Albino rats
J. Drug Res. Egypt, Vol. 12, No. 1-2; 7-11 (1980)
- 12.3 Effect of some Prostaglandin compounds on bloods Lipids level in Albino rats treated with long term load of Cholesterol-cholic acid mixture
J. Drug. Res. Egypt, Vol. 12, No. 1-2; 13-17 (1980)
- 13 Untersuchungen zur Aktivität von Disaccharidasen bei wachsenden Schafen und Sauglammern von der Geburt bis zum Alter von 4 Wochen
Arch. Tiernahrung, Bd. 30, H.; 687-694 (1980)
- 14 Effect of Protein source and level on Nichols chicks
Al-Azhar Agric. Res. Bull., No. 79; 1-19 (1981)
- 15 Effect of Prostaglandins on Protein metabolism
- 15.1 Effect of Prostaglandin E on total Protein, Albumin, Fibrinogen and Nucleic acids in blood and liver
J. Drug Res. Egypt, Vol. 13, No. 1-2; 7-12 (1981)
- 15.2 Effect of Prostaglandins E and E and F on total Protein, Albumin, Fibrinogen, and Urea of blood and liver RNA
J. Drug Res. Egypt, Vol. 13, No. 1-2; 8-12 (1981)
- 15.3 Effect of level and source of dietary fat on different parts and organs of White Plymouth Rock hens
Al-Azhar Agric. Res. Bull., No. 93; 1-18 (1981)
- 16 Effect of source and level of fat on the performance of growing White Plymouth Rock chicks
Al-Azhar Agric. Res. Bull., No. 96; 1-27 (1981)
- 17 Effect of protein source and level on the percentage of dressing Carcass and different parts and organs of Lohman selected leghorns
Al-Azhar Agric. Res. Bull., Vol. 6; 1-17 (1982)
- 18 Influence of dietary energy source on blood, liver, egg yolk cholesterol, total lipids and liver weight of growing and laying chicks
Al-Azhar Agric. Res. Bull., Vol. 4; 1-23 (1982)
- 19 Effect of source and level of fats on laying hen performance
Al-Azhar Agric. Res. Bull., Vol. 7; 1-22 (1982)
- 20 Biological and nutritional evaluation of Mango seed Kernels protein on chickens
First African Conference of Food science and technology 14-17 Nov.; 656-671(1983)

- 21 Effect of energy level on performance of growing Fayoumi chickens
Agric. Res. Review, Vol. 61; 71-89 (1983)
- 22 Effect of energy level on performance of growing Fayoumi chicks
Agric. Res. Rev., Vol. 61, No.6; 71-90 (1983)
- 23 The effect of feed deprivation on body weight, respiration rate, rectal temperature and survival time in Fayoumi hens
Al-Azhar Journal of Agric. Res., Vol. 7; 1-11 (1984)
- 24 Effect of varying periods of water deprivation on body weight, body fluids, Plasma protein, respiration rate and rectal temperature of L.S.L. adult chicks
Al-Azhar Journal of Agric. Res., Vol. 1; 13-23 (1984)
- 25 Effect of starvation on the Oxidative shunt of Pentose Phosphate pathway in subcellular fractions of different rat organs
Al-Azhar Journal of Agric. Res., Vol. 2; 53-61 (1984)
- 26 Biochemical studies on Glucose 6-Dehydrogenase and 6-Phosphogluconate Dehydrogenase in Mitochondria and Cytoplasm during Asphyxia and Hemohypoxia of different rat organs
Al-Azhar Journal of Agric. Res., Vol. 2; 65-73 (1984)
- 27 Dynamic changes in Hemoglobin fraction and Oxygen deficiency in blood of Albine rats
Al-Azhar Journal of Agric. Res., Vol. 2; 89-99 (1984)
- 28 Physical characteristics of Fayoumi semen cocks as affected by dietary protein and seasons
Al-Azhar Journal of Agric. Res., Vol. 2; 159-172 (1984)
- 29 Effect of dietary protein and season on chemical characteristics of Fayoumi cocks semen
Al-Azhar Journal of Agric. Res., Vol. 2; 144-145 (1984)
- 30 The effect of source and level of dietary fat on live body weight, feed consumption and efficiency and some reproductive phenomina of Dokki 4-cocks
Egypt, J. of Anim. Sci., (1984)
- 31 Efficiency of Gama irradiation on the microbial load and pathogenic organism contaminating poultry feed
The Third Conference of Nuclear Science and Applecations, (1984)
- 32 Uses of the Green algae Scenedesmus Acutus as Soyaben replacement in layers rations
Al-Azhar Journal of Agric. Res., Vol. IV; 169-178 (1985)
- 33 Studies on physiological and biochemical changes in growing chicks as affected by dehydration and starvation
Al-Azhar Journal of Agric. Res., Vol. IV; 149-167 (1985)
- 34 Zinc, Manganese and Calcium requirements of laying L.S.L. hens
Al-Azhar Journal of Agric. Res., Vol. IV, 182-196 (1985)

- 35 Studies on dietary Manganese requirements of growing L.S.L. chicks
Al-Azhar Journal of Agric. Res., Vol. IV; 201-213 (1985)
- 36 Performance of growing L.S.L. chicks as affected by Zinc level in the diet
Al-Azhar Journal of Agric. Res., Vol. IV; 217-229 (1985)
- 37 Influence of dietary Zinc, Manganese and Calcium levels for hens on some blood parameters and certain tissues
Al-Azhar Journal of Agric. Res., Vol. IV; 233-250 (1985)
- 38 Effect of restricted feeding during the growing period on reproduction performance of Broad Breasted Brounz turkey
Al-Azhar Journal of Agric. Res., Vol. IV; 306-318 (1985)
- 39 Laying house performance of L.S.L. chickens as affected by protein source, level and energy contents in the ration
Agric. Res. Rev., Vol.63, No.5; 3-19 (1985)
- 40 Effect of protein source, level and caloric contents on performance of growing L.S.L. chicks
Agric. Res. Rev., Vol.63, No.5; 21-35 (1985)
- 41 Effect of protein source and level on the performance of growing broad breasted Bronze and White Holland Turkey breeds
Agric. Res. Rev., Vol.63, No.5; 89-101 (1985)
- 42 Effect of protein source and level on Carcass characteristics of broad breasted Bronze and White Holland Turkey birds
Agric. Res. Rev., Vol.63, No.5; 103-119 (1985)
- 43 Effect of feed restriction on productive performance of Isa-Brown laying hens 11th International Congress for Statistics, Computer Science, Social and Demographic Research, Cairo, Egypt ; 419-434 (1986)
- 44 Diurnal rhythm of some physiological functions in L.S.L. laying hens as affected by dehydration and starvation
11th International Congress for Statics, Computer Science, Social and Demographic Research, Cairo, Egypt ; 435-450 (1986)
- 45 Effect of reserpine on performance of broiler chicks
11th International Congress for Statistic, Computer Science, Social and Demographic Research, Cairo, Egypt ; 283-296 (1986)
- 46 Effect of different levels of protein and energy with Lysine and Methionine supplementation in leghorn laying rations on egg production performance
11th International Congress for Statistics, Computer Science, Social and Demographic Research, Cairo, Egypt ; 387-413 (1986)
- 47 Effect of feed restriction during growing period on fattening response of Turkey toms
11th International Congress for Statistics, Computer Science, Social

- and Demographic Research, Cairo, Egypt ; 271-282 (1986)
- 48 Effect of dietary protein source and level of energy concentration in the ration on protein and energy efficiency and net energy coefficient in growing chicks
11th International Congress for Statistics, Computer Science, Social and Demographic Research, Cairo, Egypt ; 298-312 (1986)
- 49 Protein and energy efficiency of laying L.S.L. chickens as affected by protein source, level and energy concentration of the ratio
11th International Congress for Statistics, Computer Science, Social and Demographic Research, Cairo, Egypt ; 369-386 (1986)
- 50 The influence of dietary protein levels on reproductive performance of White Holland and Broad Breasted Bronz turkey breeds
11th International Congress for Statistics, Computer Science, Social and Demographic Research, Cairo, Egypt ; 171-185 (1986)
- 51 Effect of protein source on performance and Carcass characteristics of White Holland and Broad Breasted Bronz toms
11th International Congress for Statistics, Computer Science, Social and Demographic Research, Cairo, Egypt ; 187-203 (1986)
- 52 Effect of 2-Mercaptoethanol, cyclic AMP and Phosphodiesterase inhibitors on RNA synthesis by washed Buffalo spermatozoa
Al-Azhar Journal of Agric., Res., Vol. V; 81-93 (1986)
- 53 Internal egg quality of laying White Leghorn hens as affected by protein and energy levels in the diet
Al-Azhar Journal of Agric. Res., Vol. IV; 141-156 (1986)
- 54 Effect of incubation conditions, inhibitors and seminal Plasma on RNA synthesis in washed buffalo spermatozoa
Al-Azhar Journal of Agric. Res., Vol. IV; 93-105 (1986)
- 55 Effect of age and live body weight of ewes on Estrous cycle length and type of cycles
Al-Azhar Journal of Agric. Res., Vol. IV; 157-168 (1986)
- 56 Studies on some factors affecting spawning performance of Common carp (*Cyprinus carp*) in Egypt
Al-Azhar Journal of Agric. Res., Vol. IV; 169-176 (1986)
- 57 Studies on growth, yield and survival of Grey mullet (*Mugil Cephalus*) in poly-cultured ponds in Egypt
Al-Azhar Journal of Agric. Res., Vol. VI ; 177-188 (1986)
- 58 Effect of source of energy on performance of growing Bronz turkey poults
Al-Azhar Journal of Agric. Res., Vol. VI; 189-200 (1986)
- 59 Effect of different levels of energy and plant protein supplemented with Lysine and D.L. Methionine on the performance of growing chicks
Al-Azhar Journal of Agric. Res., Vol. VI; 201-216 (1986)

- 60 Effect of protein and energy levels as well as age of hens on digestibility of ration and chemical composition of eggs
Al-Azhar Journal of Agric. Res., Vol. VI; 217-232 (1986)
- 61 Cytochrome Oxidase activity in Magnum and Shell Gland of L.S.L. and Fayoumi chickens
Al-Azhar J. Agric. Res., Vol. IX; 289-302 (1988)
- 62 Effect of time of weaning and sex on lamb's performance from birth to twenty weeks of age
Egyptian J. Nutrition, Vol. IV; 102-119 (1989)
- 63 Fattening performance of Barki male lambs raised under two different feeding regimes
Egyptian J. Nutrition, Vol. IV; 120-136 (1989)
- 64 Effect of some antibiotics as growth promoters on performance of broiler chicks feed different protein levels
Arch. Anim. Nutr., Berlin, Vol.39, No.1-2; 97-104 (1989)
- 65 Fattening performance of Barki male lambs raised under two different feeding regimes
Egypt, J. Nutrition, Vol. IV; 120-136 (1989)
- 66 Effect of time of weaning and sex on lamb's performance from birth to twenty weeks of age
Egypt, J. Nutrition, Vol. IV; 102-119 (1989)
- 67 Effect of dehydration and starvation on some physiological functions in L.S.L. cockers
12th International Congress of Biometeorology, Vienna, Austria (1990)
- 68 Effect of some extenders and storage temperatures on Turkey semen characteristics
Al-Azhar J. Agric., Res. Vol. 12; 45-58 (1990)
- 69 Trends of some Turkey semen characteristics in summer and winter under Egyptian conditions
Al-Azhar J. Agric., Res. Vol. 12; 17-29 (1990)
- 70 Some physiological responses to heat stress, dehydration and starvation in Lohman selected Leghorn cockerels
Egypt, J. Anim. Prod., Vol. 27, No.1; 37-45 (1990)
- 71 Effect of some extenders and storage temperatures on Turkey semen characteristics
Al-Azhar J. Agric., Res. Vol. 12; 45-60 (1990)
- 72 Nutritional evaluation of irradiated animal protein by products,
Isotopenpraxis. Vol. 27, No. 3; 104-108 (1991)
- 73 Studies on chicks feed irradiated animal protein by products

- 73.1 Part I: Biological studies
Isotopenpraxis, Vol. 27, 108-114 (1991)
- 73.2 Part II: Biochemical studies
Isotopenpraxis, Vol. 27, 114-117 (1991)
- 74 Effect of incorporation of different levels of animal and poultry manure sources on laying performance of L.S.L. Pullets
J. Agric. Sci., Mansoura Univ., Vol. 16, No.10; 2260-2276 (1991)
- 75 Chemical and nutritional evaluation of heat processed full-fat Soyabean seeds
J. Agric. Sci., Mansoura Univ., Vol. 17, No. 6; 2111-2118 (1992)
- 76 Studies on performance of broiler chicks fed heat treated full-fat Soya seeds
J. Agric. Sci., Mansoura Univ. , Vol. 17, No. 6; 2097-2100 (1992)
- 77 The influence of oral "EDTA" and Oxytetracyline on performance of growing L.S.L. chicks
J. Agric. Sci., Mansoura Univ., Vol. 17, No. 12; 3719-3727 (1992)
- 78 The effect of Ethylenediamintetracetic acid "EDTA" in diets containing Oxytetracyline "OTC" on laying performance of L.S.L. chicks
J. Agric. Sci., Mansoura Univ., Vol. 17, No.12; 3728-3737 (1992)
- 79 Effect of reserpine drug on performance of laying Japanese quail reared with two densities under hot climate.
Egyp. Poult. Sci., Vol. 25, No. II ; 259 – 277(2005).
- 80 Energy partitioning and tissue respiratory metabolism of laying chickens reared under summer conditions of Egypt.
Egyp. Poult. Sci., Vol. 28, No. IV; 1181 – 1201(2009).
- 81 Effect of partial or complete replacement of soybean meal protein by some cheaper meals on performance and nutrients utilization of broiler chickens
Egyp. J.of Appl. Sci., Vol. 24, No. 7; 13 – 34(2009).
- 82 Growth performance and nature of growth of Japaneses quail as affected with dietary energy sources,levels and age under the Egyptian environmental condition ,Egypt.
Poult. Sci. ,V.29, Isse 3, P.777-804(2009).
