

B- Animal and Poultry Production

- 1- Soliman, Ahmed Ali Mohamed.
Faculty of Agriculture
Al-Azhar University
(1987)
Thesis Title: Utilization of different types of silage for fattening buffalo calves.

- 2- Shemeis, Ahmed Ragab Ibrahim.
Faculty of Agriculture
Ain Shams University
(1988)
Thesis Title: Studies on meat production and its relation to growth and development of carcass tissues in broilers and rabbits.

- 3- Al-Wafa'ai, Ahmed Abdel Motaleb Mohamed Moussa.
Faculty of Agriculture
Al-Azhar University
(1988)
Thesis Title: L.S.L. performance in cages.

- 4- Awadallah, Mohamed Mohamed Azab.
Faculty of Agriculture
Al-Azhar University
(1988)
Thesis Title: Effect of dehydration on body fluid distribution in poultry.

- 5- Al-Sheikh, Ali Mohamed Hassan.
Faculty of Agriculture
Al-Azhar University
(1988)
Thesis Title: Productive and physiological responses in chickens to some nutritional factors.

- 6- Rizkallah, Soubhi Asad.
Faculty of Agriculture
Al-Zaqaziq University
(1989)
Thesis Title: Study for some physiological and economical characteristics in Fayoum fowl.

- 7- Abdel Wahed, Hallah Mohamed.
Faculty of Agriculture
Cairo University
(1990)
Thesis Title: The influence of dietary energy level, reserving and ascorbic acid supplementation on performance of broiler chicks, under heat stress.

- 8- Al-Nawawi, Gehan Hamdy.
Faculty of Agriculture
Ain Shams University
(1991)
Thesis Title: Some of non-conventional ingredients in broiler ration.
- 9- Goda, Ashraf Mohamed Abd Al-Samei Al-Sayed.
Faculty of Agriculture
Cairo University
(1993)
Thesis Title: Carbohydrates in poultry strains.
- 10- Abdel-Sami', Mohamed Omar.
Faculty of Agriculture
Cairo University
(1994)
Thesis Title: Layers performance as affected by cassara root meal levels and coloring agents.
- 11- Al-Sheikh, Ali Mohamed Hassan
Faculty of Agriculture
Cairo University
(1994)
Thesis Title: Productive and physiological responses in chickens to some nutritional factors.
- 12- Al-Sayed, Inas Mohamed Shawqi.
Faculty of Agriculture
Al-Zaqaziq University
(1995)
Thesis Title: Performance of productive efficiency and egg quality of some Egyptian chicken.
- 13- Farghaly, Mohamed Abdel Wahab.
Faculty of Agriculture
Alexandria University
(1995)
Thesis Title: The use of coriander (*coriandrum satirum*) peppermint (*mentha piperit*) and celery (*Apium Graveolens*) as feed additives Peking duck potions.
- 14- Samak, Hisham Ragab Amein.
Faculty of Agriculture
Al-Zaqaziq University - Banha Branch
(1996)
Thesis Title: Productive performance of broiler chicks.
- 15- Khalifa, Farid Mohamed Abd El-kareem.
Faculty of Agriculture
Al-Azhar University
(2000)
Thesis Title: Effect of fat level on fattening performance of Japanese quail.

- 16- Emara, Islam Ibrahim kamel.
Faculty of Agriculture
Cairo University
(2002)
Thesis Title: Influence of dietary lipid sources on layer performance.
- 17- Al-Mallah, Ali Abd Al-Tawab Ali.
Faculty of Agriculture
Al-Azhar University
(2002)
Thesis Title: Nutritional studies on rabbits productive and reproductive performance.
- 18- Moustafa, Moustafa Fahmy Ali.
Faculty of Agriculture
Al-Azhar University
(2002)
Thesis Title: Amino acids fortification of low-protein diets for broilers.
- 19- El-Shafey, Hany Mohamed.
Faculty of Agriculture
Alexandria University
(2002)
Thesis Title: The ideal use of fishmeal in ducks feeding
- 20- Ali, Ibrahim Hemdan Sallem.
Faculty of Agriculture
Cairo University
(2004)
Thesis Title: Effect of dietary protein and some feed additives on broiler performance
- 21- El-Shaffey, Ali Said Ali.
Faculty of Agriculture
Alexandria University , Damanhour
(2008)
Thesis Title : effect of zinc bacitracin and two types of microbial phytase as growth Promoters in broilerChickens diets on growth performance ,meat quality and some blood Plasma constituents.
- 22- Abdel Wahab, Abdel Wahab Ahmed.
Faculty of Agriculture
El Fayoum University
(2008)
Thesis Title : Effect of dietary hot red pepper and energy levels on performance of growing and laying Japanese quail.
